Transforming the way you work

CIVICA Cloud

The 3 Pillars underpinning the Civica Secure Hybrid Cloud

1

**Cost
Effectiveness**

3

**Reliability &
Scalability**

2

Security

Leveraging off more than 3 decades of industry specific knowledge and services

User experience is secure, intuitive, relevant and personalised for all users

Student

The screenshot shows a 'Community Portal' for a student named James. The interface includes a navigation bar with 'Dashboard', 'Timeline', 'Messages', and 'Me'. A 'Welcome James' message is displayed. Below, there are sections for 'Messages' with notifications about important messages and forms to complete. A 'Frog LMS' section is visible. A 'West Coast College' section contains a 'Report Summary' for 'JAMES GUN'. A 'My Dashboard' section lists tasks such as 'Check essential site information', 'Check essential site information', 'Check essential site information', and 'Check essential site information'. A 'Performance and Skills over time' chart is shown, along with a table of 'Performance and Skills by subject in the report'.

Staff

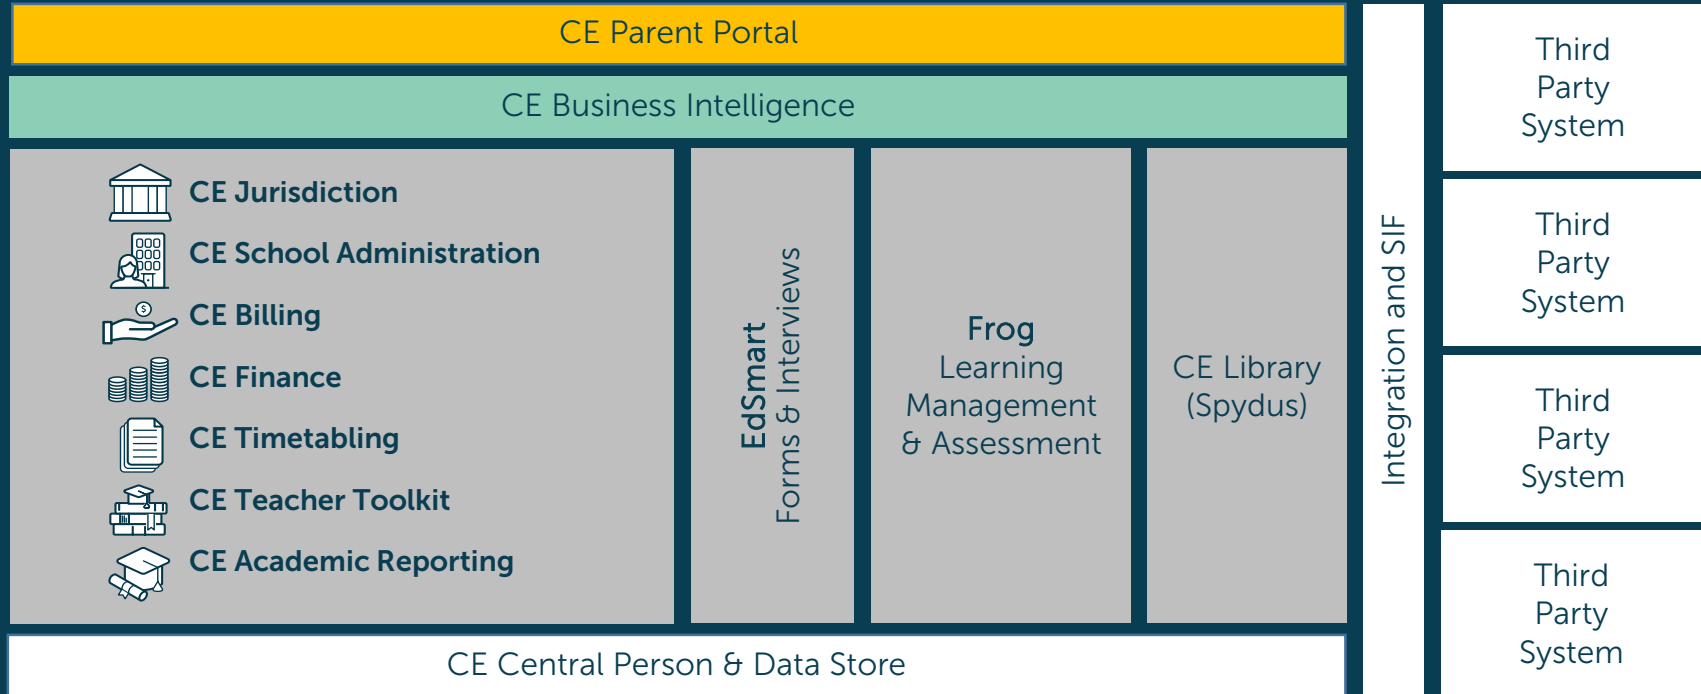

The screenshot shows a staff dashboard with multiple data views. It includes a 'Performance and Skills by subject in the report' table, a 'Performance and Skills over time' chart, and a 'Performance and Skills by subject in the report' table. The dashboard is designed for monitoring and reporting on student performance and skills.

Caregiver

The screenshot shows a 'Community Portal' for a caregiver named John. The interface includes a navigation bar with 'Home', 'Timeline', 'Messages', 'Calendar', 'Support', and 'My Account'. A 'Good Evening John' message is displayed. Below, there are sections for 'My Children' with profiles for James Scovden and Samantha Scovden. A 'School News' section contains articles about 'STEM wellbeing across curriculum' and 'West Coast College Update'. A 'Report Summary' for 'JAMES GUN' is shown. A 'Performance and Skills over time' chart is displayed, along with a table of 'Performance and Skills by subject in the report'.
